

Disclaimer Notice:

Thought Masters is a Specialist Business Creation Services Consultancy that create new businesses in various industries as well as develop the leadership capacity to run them in South Africa and beyond.

Thought Masters does not guarantee the success or profitability of any business venture that it helps to create or develop. Investing in startups is very risky and involves a high degree of uncertainty and volatility. There is no assurance that the businesses will achieve their objectives, generate revenues, or become profitable.

Thought Masters does not provide any financial, legal, tax, or accounting advice to the entrepreneurs, investors or any of its stakeholders. The entrepreneurs and investors are solely responsible for conducting their own due diligence, making their own investment decisions, and complying with all applicable laws and regulations.

Thought Masters does not endorse, recommend, or solicit any investment in any of the businesses that it helps to create or develop. The entrepreneurs and investors should consult their own professional advisors before making any investment decision.

Thought Masters is not liable for any loss or damage that may arise from the use of its services or from the reliance on any information provided by it or by the businesses that it helps to create or develop. The entrepreneurs and investors assume all risks and liabilities associated with their involvement in the businesses.
